# Policy Statement on Provider Access

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under section 42B of the Education Act 1997.

## Pupil entitlement

All pupils in years 8 to 13 are entitled

☑ to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point

☑ to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships

☑ to understand how to make applications for a full range of academic and technical courses.

A provider wishing to request access should contact Mrs T Overall Headteacher's PA  
01702 588852 [toverall@shsg.org](mailto:toverall@shsg.org)

Our Head of Careers, Mrs Braby, will then arrange a suitable time in the careers programme for access. IT is available for presentations.

We welcome copies of prospectuses which we will make available to all students.
