

| You asked... | Our reply... |
|--|---|
| Where will my Form Room be next year? and how will I find out which form room is mine? | <p>Form Rooms will be the normal teaching room (or as close to it as we could get) of your Form Tutor. That means that your form room could be in any area of the school. Year groups will no longer have all their form rooms in the same area therefore you are highly likely to have neighbours from different year groups.</p> <p>You can find out your form room in two different ways. For those of you who have access to Show My Homework your new timetable will appear approximately two weeks before the first day back. This will have your Form Room on it.</p> <p>Alternatively, an email will be sent to your school email advising you of your Form Room over the summer holidays.</p> <p>New Year7s and Year12s will receive a paper copy of their timetable on the first day of term.</p> |
| Will I be able to have and use a locker? And where will this be located? | Yes, you will be able to use a locker again. Over the summer the site team will be working hard to allocate students with lockers near to their form rooms. Your tutor will tell you more on the first day back. |
| Will there be Bubbles? | Currently, it is not a requirement for school to implement bubbles from September. Your timetables have all been produced for a non-bubble school. Should guidance on this change it may be necessary to reintroduce bubbles at some point in the future. |
| Will students be able to use mobile phones and /or iPads in school? | We have updated our procedures around mobile phone use for students. From September students in years 7-13 will be permitted to use their mobile phones during social time in designated areas. Mobile phones may continue to be used in lessons under the direction of the teacher for educational activities only. |
| What time will school end? | The end of the school day will be 3:30pm for all year groups. |
| Will we be able to move around the school? | Yes, based on the current Government guidance, you will be able to move around the school free from the restrictions of year group bubbles. |
| Is there going to be regular COVID testing? | The guidance on this is still emerging and therefore there is not a definitive answer. Yes, the current Government guidance suggests that LTF testing should still happen at home with the |

| | same frequency as at present i.e. two tests, weekly. |
| Will we be able to mix with other years at break and lunch? | Yes. We also anticipate that lunchtime clubs and societies will make their long awaited return. |
| Will we be able to go to the canteen? | Yes, the canteen will reopen for food service again from (and including) the first day back in September. Your form tutor will give you more information in September. |
| What is the provision for practical subjects/lessons? Will students be in Art rooms/ Science labs for these subjects? | Yes, we have timetabled lessons back into specialist rooms for all practical subjects. |
| Will remote learning continue in September? | Yes, should there be any COVID isolations remote learning will be provided to support those students at home. |
| Will Show My Homework and MSTeams be used next year? | Yes, these platforms are now a long-term part of our learning toolkit. No doubt the way in which they are used will evolve over time, however, we anticipate that they will continue to be used in the same way they have this year. That is to say Show My Homework will be used to set all homework, recording reward points etc and MsTeams will be used for |
