- Try to stay at home, avoid contact with others and follow guidance on gov.uk.
- Try to avoid going to school until they no longer have a high temperature and are well enough to return.
- Carry on attending as normal if they only have mild symptoms like a runny nose, sore throat or slight cough and otherwise feel well.

If they have had a positive test for COVID-19, they should:

- Try to stay at home, avoid contact with others for 3 days and follow the guidance on gov.uk.
- Try to avoid going to school, during this time, where they can.

## **My Poetry By Heart Experience**

### **KS3 Finalist and runner up, Jomi:**

*My Poetry By Heart Experience was absolutely amazing, from the 'King Lear' play, to the accommodation, to the performance of the finalists' poems! I personally had a exciting time, and would absolutely love to do it again! The trip started off with watching the famous 'King Lear' in the Shakespeare Globe. The Globe itself is huge, with a large stage and more than 800 seats available and can fit 700 standing people in the yard. The performance was so entertaining, interactive and with multiple hilarious moments. In the morning, we made our way to the Shakespeare Globe, for a fun filled day. We started with a tour of the Shakespeare Globe, and learnt about the history of the Globe. We also learnt about how the names of many donors to the rebuilding of the Globe were put in stone, which was built into the ground - it was rebuilt due to a fire which burnt down the building. We then began to hear the performance of many Poetry by Heart finalists across the Nation.*

*All finalists had a chance to perform on the legendary Globe stage in front of a large audience. I really enjoyed the experience, but I was filled with nerves. Although once you first walk out on stage, the audience is quite intimidating, once you start to recite your poem, it's like all your nerves disappear! There were breaks between each 'set' which were filled with a showcase of Foyle Young Poets, 2022 CLIPPA shortlisted poet performances, and special performances. Once all the poem performances had taken place, the national champions were announced, and the fun filled day came to an end with Simon Armitage, the UK Poet Laureate, reciting a few of his poems, and a few answers to the audience's questions. Although I did not win in my category, it was one of the most amazing experiences, and a once in a lifetime opportunity. Not many people my age would be able to say that they performed on the Shakespeare Globe stage, and I will forever be grateful for the opportunity!*

### **KS4 finalist, Isobel:**

*Recently I have been lucky enough to make it into the finals of the national Poetry by Heart competition. This meant I was able to spend a fantastic two days in London, seeing 'King Lear', getting a tour of the Globe and being able to perform my poem on stage. It was an incredibly exciting experience which I will never forget. Seeing 'King Lear' was especially memorable as it was such a professional and entertaining performance. I got to hear some amazing poetry not only from my fellow finalists but also from winners and finalists of other poetry competitions. I particularly enjoyed hearing published poets read their own poetry. The Poet Laureate Simon Armitage, whose poem is included in the GCSE poetry anthology, also came to read some of his work and answer questions, which was very interesting. Whilst I was nervous about reciting my poem, I'm so glad I did as it's not every day you get to perform on stage at the Globe. Although I didn't win I still had a good time and I'm proud of myself and my fellow SHSG finalists, whose poems I really enjoyed. I will definitely be entering the competition again next year, and I highly recommend others to do the same.*

### **KS5 finalist, Eloise:**

*I was really proud to represent the school at the Poetry By Heart finals on Monday. We had the opportunity to watch Shakespeare's Globe's 'King Lear' on Sunday night, which was very valuable to get a sense of the stage we would be performing on the next day, and how performance can be worked to an audience. I was also really excited to watch Michelle Terry in the role of Cordelia/Fool as she's one of my biggest inspirations. My absolute highlight of the weekend was the moment just before I started to speak my poem - The Globe is my favourite stage in the world and seeing hundreds of faces waiting for me to start speaking on it was incredible. It was also a real privilege to listen to Simon Armitage, poet laureate, who read some of his own poems to us, with insight into their creation. It surprised me that he said how hard he finds it himself to recite poetry by heart, and that he prefers just to write it.*
