It is not a re-marking of the candidates' script.

It is only available if a GCE A-level candidate's place in higher education is dependent on the outcome. Any applications not meeting this criteria will be treated as normal Service 2 requests.

The deadline for completion is within 15 calendar days of the Awarding Body receiving the request.

***If required, a copy of the reviewed script(s) for those components included in ATS MUST be requested at the same time as a RoR; the service is NOT available after a RoR has been submitted.**
